

JOTZADOPE

METAL FREE & METAL
COMPLEX DYES FOR
ALUMINUM ANODIZE

Legacy of Colors Since 1978

Krishna Industries manufactures and offers selective range of dyestuffs for anodization of aluminum. As a single organization, we offer you an enhanced product portfolio, broader geographic reach, and local, reliable support.

Enhanced Product Portfolio: You can rely on us for the best quality **Dyestuffs**. Whether you are into automotive sector, household appliances, construction products, stationary items or any other specialized kind products, we give color to all you do.

Techno-commercial Sales: Our talented sales and technical teams stay close to our customers and are available for support and consultation when needed. We know that timely, expert help is every bit as important as consistent, high-quality products. Our aim is to provide both on an ongoing basis. Contact us at sales@krishnadyes.net

Our Group Activity:

Krishna serves the paper, inks, coatings, leather, textile, pharmaceutical, food, plastics, wood, detergent and cosmetics industries worldwide. We look forward to discussing your coloration needs in your specific market.
